45 WARRANTIES / TERMS
30 years ago, Wiley X owners Dan Freeman and Myles Freeman, Jr. were just kids sweating summers off in the warehouse helping their Dad out with his small but innovative protective eyewear company. Little did they realize that 30 years later, they’d be at the helm of a highly-respected, fast growing global company.

Their father, Myles Freeman, Sr. - a military veteran – started Wiley X to protect the eyes of those who protect America. While Wiley X remains a major supplier of eyewear - and gloves - to military forces around the world, it has since become a burgeoning outdoor lifestyle brand.

Dan and Myles, Jr. are quick to credit their success to passionate, committed employees and highly supportive retail partners. They both agree, however, that above all, their success is due to the fact that they have remained true to their father’s original vision to make the most protective and stylish eyewear available, wherever it is needed. Here’s to another 30.
ANSI HIGH MASS IMPACT TEST

Wiley X ANSI tested frames and lenses must withstand the weight of a 1.1 lb. pointed projectile dropped from a height of 50". That pretty much ensures they’ll stand up to any tough conditions you may encounter.

ANSI HIGH VELOCITY IMPACT/VO BALLISTIC TESTS

Frames and lenses must withstand the impact of a .25 inch diameter steel ball fired at 150 fps (ANSI) or .15 projectiles fired at 640-660 fps (spectacle VO Ballistic). Goggles must withstand .22 projectiles fired at a rate of 560-560 fps. This ensures our lenses and frames are practically indestructible.
Fine dust and pollen, as well as wind, can cause long-term eye irritation, such as Dry Eye Syndrome. Peripheral light can also diminish optical clarity. Wiley X patented removable soft foam FACIAL CAVITY™ SEALS block out even the finest irritants and peripheral light, protecting the eyes and allowing polarized lenses to perform at peak levels.
RX OPTIONS
Most all Wiley X frames can be fitted with prescription lenses. The Wiley X Rx program enables simple ordering, expert lens processing and timely delivery of corrective lenses designed especially for our 8-base wrap frames. See page 43 for Rx details.

DIGIFORCE™ DIGITAL RX LENSES
DIGIFORCE™ digital Rx lenses have been specially designed for Wiley X’s high wrap frames. Point by point digital lens mapping delivers enhanced visual clarity and color contrast. DIGIFORCE™ ensures a wider field of vision and more significant reading zone for high curve frames. This Wiley X design can be optimized or customized to the wearer’s prescription and face form. See page 43 for Rx details.

ROAD & TRAIL RX LENSES
A fully compensated progressive lens designed specifically for driving and riding. Distance and intermediate vision has been enhanced for a seamless progression from road views to dash gauges or fairings. Each lens is carefully calculated taking into consideration the unique parameters of the customer’s face and extreme frame wrap, reducing aberrations induced by tilt and curve.

DIGIFORCE™ COMPUTE RX LENSES
Specialized design for intermediate and near. Formulated for computer and tablet distances. With WX BLUE premium Blue Blocking AR coating, Compute lenses help to minimize digital eye strain and the symptoms of Computer Vision Syndrome (CVS).

EXPANDED RX RIM SYSTEM
The Wiley X Rx Rim System makes eye protection available for prescriptions up to +5.00 and -7.00. Now more people than ever can experience the ANSI safety rated protection and sleek style of Rx-ready sunglasses that are equipped for anything at anytime. Available in select Climate Control Series styles. See page 43 for Rx details.
FILTER 8™ POLARIZED LENSES

Glare off the water and other light colored surfaces can diminish vision at critical moments and cause eye fatigue.

WILEY X FILTER 8™ POLARIZED LENSES combine eight layers of lens technology:

- Two Slick™ hydrophobic coatings.
- Two Selenite™ polycarbonate lenses.
- Two T-Shell™ scratch-resistant layers.
- One Violet 4™ anti-reflective coating.
- Filter 8™ polarized film layer that creates 100% polarization with 100% UV protection.

SEL TECHNOLOGY LENSES

Our SEL (Smart Edge Lens) technology lenses are de-centered and tapered to ensure they can meet ANSI optical clarity standards. They also block 100% of the sun’s harmful UVA and UVB rays.

RESOLVING POWER (CLARITY)

Ordinary lenses can distort objects viewed from a distance. As measured in tests utilizing the NBS Pattern 20, Wiley X lenses provide a clear view.

REFRACTIVE POWER

Inferior lenses can alter the true size of objects, as if looking through another person’s prescription lens. Wiley X ANSI safety rated lenses maintain true relative object size.

PRISMATIC POWER

It is common for ordinary lenses to bend light, causing focal objects to appear off center. Wiley X ANSI safety rated lenses provide a true spatial relationship of objects in the field of view.
LENS ANATOMY

*Polarized available in select styles.

SMOKE GREY LENSES*
- Maximum glare reduction. Won’t distort colors. Excellent in bright/glare conditions.
- Light transmission: 14%-20%, 12% Bronze Flash (Crimson Brown), 14% Silver Flash [Bronze], 18% Polarized Bronze.

AMBER LENSES*
- Greatly reduces High Energy Visible light and haze, improves contrast and depth perception. Ideal for fishing, golf, tennis.
- Light transmission: 14% polarized.

LIGHT RUST LENSES
- Filters out most blue light waves, the chief component of glare and haze. Enhance contrast in medium to low-light conditions.
- Light transmission: 60%.

PALE YELLOW LENSES*
- Best light enhancing lens tint. Enhance contrast in low to extremely low light conditions, haze, etc.
- Light transmission: 86%.

POLARIZED YELLOW LENSES*
- Greatest clarity in low light situations; blocks blind glares while preserving sharpness. Ideal for first and last light, fishing, hunting, shooting etc.
- Light transmission: 30% Polarized.

VENICE GOLD MIRROR [AMBER] LENSES*
- Great for sunny conditions; polarized version is ideal for fishing in shallow water and target shooting.
- Light transmission: 12% polarized.

LIGHT RUST LENSES
- One of the darker lenses Wiley X offers. Multi-coat, Z-Oxide mirror over smoke lenses. Reduces glare. Excellent on bright days.
- Light transmission: 12%, 13% Polarized.

PLATINUM FLASH [GREEN] LENSES*
- Multi-coat Z-Oxide mirror over smoke green lenses provides maximum glare reduction without distorting colors. Great for general daytime use.
- Light transmission: 13% polarized.

CRIMSON MIRROR [GREY] LENSES*
- Excellent for constant sun or very bright conditions. Ideal mirror for snowboarding, skiing, driving on sunny days or other extreme conditions.
- Reduces glare and improves contrast. Light transmission: 16% polarized.

VERMILLION LENSES*
- Best for medium to low light conditions. Sharpens contrast and brightens targets.
- Light transmission: 50%.

CLEAR LENSES
- Maximum light transmission. See precise color values. Hazy or overcast, dusk/dawn conditions.
- Light transmission: 89%.

SMOKE GREEN LENSES*
- Maximum glare reduction without distorting colors. Great for general daytime use.
- Light transmission: 13% Polarized.

BRONZE LENSES*
- For superior visual definition. Increase contrast, enhance ground level contours in most light conditions.
- Light transmission: 14%-20%, 12% Bronze Flash [Crimson Brown], 14% Silver Flash [Bronze], 18% Polarized Bronze.

Polarized Bronze.

WILEY X TECHNOLOGY

Wiley X frames can accommodate specially designed prescription lenses. Ask your Account Representative for more details.

Our proprietary polarized lens technology adds 100% polarization to 100% ultra violet protection for unequalled clarity and contrast.

Authorized Protective Eyewear List (APEL) Approved.

Universal Prescription Lens Carrier (UPLC)

Meets or exceeds MIL-PRF-32432 [GL] ballistic standards for spectacles and goggles.

Our patented removable Facial Cavity™ seal blocks out wind, debris and peripheral light.

Meets and exceeds ANSI Z87 high velocity impact safety and optical standards.

The European standard for withstanding small objects traveling at high speeds, and in some cases extreme temperatures and robustness.

Meets or exceeds the ASTM F803 standard for high velocity resistance and optical clarity.

THE MARK OF HIGH PERFORMANCE

All Wiley X styles are ANSI safety rated except Youth Force™ styles which are ASTM F803 rated. We test and mark all of our frames, temples and lenses with the appropriate ANSI safety rating.

ANSI CERTIFICATION MARKS

WX Precedes all ANSI rating marks. Wiley X is the manufacturer.
Z87 The sunglass frame and temples or goggle frame passes the ANSI high velocity and high impact test.
-2 The frames can be fitted with a prescription lens, which is the case with almost all Wiley X sunglasses.
+ The sunglass frame and temples or goggle frame passes the ANSI high velocity and high impact test [2010 standard]
+ The lens meets or exceeds the ANSI High Velocity Impact standard.
S The lens is a filter or shaded lens (not clear).
V The lens is variable-tint photochromic (light adjusting).

WorkSight™ is truly unlike any other eyewear product on the market. WorkSight is a top-quality ophthalmic line with beautiful colors and finishes that also doubles as a safety line with its ANSI Z87.1 safety rated frames and removable side shields. This exclusive combination of fashion and protection means that every model in the WorkSight™ line can instantly go from the factory floor to the dance floor without missing a beat.

- Custom designed ANSI Z87.1 safety rated removable side shields included with every frame. [Permanent ANSI Z87.1 side shields also available.]
- Stylish frames meet ANSI Z87.1 safety standards with side shields.

- Equipped with plano lenses that meet ANSI Z87.1 safety standards.
- Wiley X DIGIFORCE™ digital Rx lenses with WX BLUE AR coating offer superior clarity and the blocking of harmful blue light.
- Styling is perfect to wear for work and play.

YOUTH FORCE™

Wiley X brings its legendary protective eyewear technology to an all new line of Rx-able eyewear for youth sports participants. Youth Force meets the rigorous ASTM F803 standard, comes in vibrant colors, and each style easily converts to a goggle.

ASTM F803 STANDARD

Our Youth Force™ Sports Protective Eyewear meets the stringent ASTM F803 standard. To pass the High Velocity Impact Resistance test, the eyewear must withstand projectiles sized from 40 mm to 65.1 mm fired at a rate of 90 mph.

The F803 standard tests the strength of the frame and the strength and clarity of the lenses. Youth Force™ styles are tested to the plano and prescription eyewear classification.

Youth Force™ styles pass ASTM F803 testing for Soccer, Basketball, Racquetball, Squash, Badminton, Paddle Ball, Tennis and Handball.

Tested for Soccer, Basketball, Racquetball, Squash, Badminton, Paddle Ball, Tennis and Handball.
Temples can be interchanged with included adjustable strap for all frames.

WARRANTY AND TERMS

B. OUTSIDE THE CONTINENTAL U.S.: If a Wiley X product is lost, stolen, or damaged while being shipped outside the Continental U.S., $9.00 (plus sales tax) is required for return shipping and handling. A credit card payment (Visa, Master Card, Discover, American Express) must be made to cover the cost of return shipping and handling. Wiley X will provide a Return Authorization (RA) number to be used for tracking purposes. No COD returns accepted. New orders resulting from exchanges will be shipped upon receipt of returned merchandise unless other arrangements have been made with Wiley X. Customers are responsible for all shipping charges, both inbound and outbound. Returns should be sent attention: RETURNS DEPARTMENT.

Licensed Brands:
- Remington® by Wiley X, Inc. products are warranted against defects in materials or workmanship for a maximum period of 2 years.
- John Deere® eyewear by Wiley X, Inc. (US and Canada only) is warranted against defects in materials or workmanship for a maximum period of 1 year.
- LA™ Light Adjusting lenses are warranted against defects in materials or workmanship for a maximum period of 18 months (proof of purchase for LA™ Light Adjusting lens products required).

How to Process a Warranty Claim for Repair or Replacement of Covered Items:

How to Process a Warranty Claim for Repair or Replacement of Covered Items:

A. IN THE UNITED STATES: Please complete the online warranty claim form located online at: www.wileyx.com/about/support/warranty. After proper completion of the online warranty claim form, Wiley X will provide you a Return Authorization (RA) number. Print the completed online warranty claim form (including the RA number) and send the warranty claim form along with the covered item and proof of purchase to: Wiley X, Inc., Attn: Returns Department, 7800 Patterson Pass Road, Livermore, CA 94550. Please use a traceable shipping method (Wiley X is not responsible for lost, stolen or damaged shipments) and allow 7-10 business days from our receipt of the package to process your warranty claim. Payment: A credit card payment of $9.00 (plus sales tax) to cover return shipping and handling is required.

B. OUTSIDE THE CONTINENTAL U.S.: Please contact the Wiley X, Inc. Authorized Dealer nearest you for instructions. If you cannot locate a Wiley X, Inc. Authorized Dealer, please email warrantyclaim@wileyx.com for instructions.

For covered items and for full text of this warranty, please see: www.wileyx.com/about/support/warranty

WARRANTIES

1) Wiley X Non-Prescription Eyewear – Limited Lifetime: Wiley X, Inc. warrants non-prescription Wiley X eyewear to be free of manufacturing defects in materials or workmanship for the life of the original purchaser, with the following exceptions:

- Youth Force™ eyewear is warranted against defects in materials or workmanship for a maximum period of 2 years.
- LA™ Light Adjusting lenses are warranted against defects in materials or workmanship for a maximum period of 18 months (proof of purchase for LA™ Light Adjusting lens products required).

2) Prescription Eyewear Frames: Wiley X, Inc. warrants Wiley X and John Deere® frames filled by Wiley X authorized prescription laboratories to be free of manufacturing defects in materials or workmanship for a period of 1 year. Prescription frame and lens warranties must be handled through the local retailer or dispensing optician from which they were originally purchased. Prescription lens manufacturing defects are covered by the lab who originally dispensed them. Proof of purchase required.

3) Gloves: Wiley X, Inc. warrants gloves to be free of manufacturing defects in material or workmanship for a maximum period of 2 years.

4) Remington® by Wiley X, Inc. Hearing Protection: Wiley X, Inc. warrants Remington® by Wiley X, Inc. hearing protection products to be free of defects in materials or workmanship for a maximum period of 1 year.

Scope of Coverage: Wiley X will repair or replace covered items at the sole discretion of Wiley X, as needed and as available (identical or equivalent style) at no charge. Out of warranty items may be repaired (if repairable), replaced, returned or destroyed, at the option and sole expense of the purchaser. Exclusions: This warranty does NOT extend to and excludes (i) any and all Wiley X products purchased through Amazon, Ebay or any non-authorized 3rd party websites, dealers or labs (ii) damage resulting from normal wear and tear, including but not limited to scratched lenses and broken frames, hinges and nose pieces, (iii) damage resulting from abuse or misuse, (iv) damage resulting from tampering or customer modification, (v) damage resulting from exposure to harmful substances, elements or conditions, (vi) other damage to covered items not resulting from a manufacturing defect in materials or workmanship as Wiley X shall decide in its sole discretion, or (vii) lost or stolen items. Proof of purchase required.

How to Process a Warranty Claim for Repair or Replacement of Covered Items:

RETURNS AND EXCHANGES

Returns and exchanges will not be accepted without receiving prior authorization to include an assigned return authorization number. For every one item returned, at least one item must be purchased. Returns must be in resalable condition, as determined by Wiley X for product not discontinued longer than six months. All returns must be shipped prepaid from point of origin, unless prior arrangements have been made. No COD returns accepted. New orders resulting from exchanges will be shipped upon receipt of returned merchandise unless other arrangements have been made with Wiley X. Customers are responsible for all shipping charges, both inbound and outbound. Returns should be sent attention: RETURNS DEPARTMENT.

TERMS AND CONDITIONS

All Wiley X models may be combined when compiling a quantity order. Extreme care is taken when packaging all products we ship. If a discrepancy occurs, a claim should be made immediately.

Standard Terms: NET30 (upon credit approval): COD Invoices incur minimal shipping and handling fee; Credit Card [Visa, Master Card, Discover, American Express].
