

# SPEAR

## TRADITIONAL GOGGLE WITH PURPOSE-DRIVEN FEATURES

When we created the Spear, we maximized comfort and protection. An adjustable strap for a secure, customized fit, and a removable Facial Cavity™ Seal for added defense against pollutants and irritants, are just the start of the Spear's overall appeal. Matched with a symmetrical venting system, NVG-compatible design, and the highest of safety ratings, the Spear is a solid and versatile addition to your arsenal of protective equipment.
